

PRODUCT SPECIFICATION

| | |
|--------------------|---------------|
| Product : | Potato Starch |
| HS code: | 110813 |
| Date of creation : | 05-2018 |
| Country of Origin: | EU |

Ingredients: Specification:

| | |
|---|--|
| Protein: | 0,6 g |
| Moisture: | Not more than 20 % |
| Ash: | Not more than 0,35 % (in dry matter) |
| pH: | 5,5 – 7,5 |
| SO ₂ content: | Not more than 10 mg/kg |
| Minerals content, insoluble in 10% hydrochloric acid (HCl): | Not more than 0,06 (m/m) (in dry matter) |
| Fat: | 0,1 g |

Microbiological:

Limit w 1 g

| | n* | c* | m* | M* |
|--------------------------------------|-----------|-----------|-----------|------------|
| Aerobic mesophilic organisms: | 5 | 2 | 10 000 | 100 000 |
| Coliforms: | 5 | 2 | 0 (0,1 g) | 0 (0,01 g) |
| Salmonella: | 5 | 0 | 0 (25 g) | - |
| Staphylococcus aureus: | 5 | 0 | 0 (0,1 g) | - |
| Mould and Yeasts | 5 | 2 | 500 | 1000 |

*M – accepted threshold value above which the results are disqualifying

*m – value equal to or below which all results are considered satisfactory

*n – number of samples in the batch

*c – number of samples from a batch giving the result between m and M

GMO Direction:

The product is not genetically modified.

Storage, Shelf life, Packaging

| | |
|---------------------|---|
| Storage conditions: | In dry, clean and airy rooms |
| Shelf life: | 5 years from date of production, under appropriate conditions of packaging, storage and transport |
| Packaging: | Three layer paper valve bags of a 25 kg net. Other types of packing are possible after agreement with recipient |
