

PRODUCT SPECIFICATION

Product:	Demineralized Sweet Whey Powder
HS code:	04041020
Date of creation:	06-2018
Country of Origin:	EU

Ingredients: Specification:

Protein:	± 12 %
Moisture:	≤ 4,0 %
Fat:	Max 1,5 %
pH:	5,60 – 6,40
Carbohydrate:	Min 72 %
Mineral:	Max 6 %
Density g/l:	700 ± 15 %
Scorched particles:	Disc A/B
Solubility index:	≥ 99 %
Energy value Kcal/100g:	375

Physical Characteristics:

Color:	Slightly yellow
Taste and odor:	Typical

Microbiological:

Total Plate Count (CFU/g):	≤ 20 000
Enterobacteriaceae (CFU/g):	≤ 10
Coag. Staphylococcus + (CFU/g):	≤ 10
Lysteria monocitogenes (CFU/g):	Absent in 25g
Salmonella (CFU/g):	Absent in 25g

Storage, Shelf life & packaging:

Storage conditions:	Keep the product in its closed package, away from sunlight, in a dry place, at a temperature under or equal to 25°C
Shelf life:	Max 18 months from production date, respecting the outlined packaging and storage terms.
Packaging:	The product is in Multiply Kraft 25kg net paper bag and Big bag with a polyethylene liner, according to customer request

The user of the product is solely responsible for compliance with all laws and regulations applying to the use of the products.
