

### PRODUCT SPECIFICATION

Product:	Glucose Syrup
HS code:	170230
Date of creation:	06-2018
Country of Origin:	China

#### Ingredients: Specification:

Solid substance:	75 % - 84 %
DE:	41 – 60
pH:	4.0 – 6.0
Transmittance (426nm):	Min 94
Coke temperature:	Max 125°C
Ash:	Max 0.3 %
Lead (ppm):	Max 0.5
As (ppm):	Max 0.5

#### Physical Characteristics:

Appearance:	Colorless or light yellow syrup without the impurity that can be seen by eye.
Taste and odor:	No unusual odor and clear sweet, no stink, no unusual taste.

#### Microbiological:

Bacterium total:	Max 1000 cfu/g
E.coli:	Max 30 cfu/100g
Pathogen:	Not detective

#### Storage, Shelf life & packaging:

Storage conditions:	Store in room temperature.
Shelf life:	One year.
Packaging:	Designate, cleaned 300kg plastic drum each.

The user of the product is solely responsible for compliance with all laws and regulations applying to the use of the products.
